FUNERAL PAYMENT OPTIONS

Nalley-Pickle & Welch Funeral Home and Crematory has been assisting the families of Big Spring, Midland, Stanton and surrounding counties for over 90 years and know the families we serve want to know their financial options concerning funeral arrangements. We have found that a clear understanding of our payment policy with each family that we serve makes financial matters concerning the funeral or memorial service easier. Our families have told us that they want their options concerning payment and how payment is expected.

All financial arrangements for the funeral or memorial service must be settled prior to any public announcement of arrangements made or any viewing at the funeral home. Because of Federal Truth in Lending Laws, Nalley-Pickle & Welch Funeral Home and Crematory is unable to provide in-house financing or monthly payment arrangements. You may wish to contact your personal financial institution to provide financing if one of the following options will not meet your needs. Feel free to speak openly with your funeral director concerning these matters.

In order for Nalley-Pickle & Welch Funeral Home and Crematory to maintain sound business practices, provide continuous 24 hour per day operation, provide the quality of service to which all our families are entitled. And maintain a dignified facility fitting for funeral services, we offer the following payment options to be applied individually or in combination:

Options 1: Pre-paid funeral contract.
A pre-need funeral contract that is in force and assignable to the funeral home.

Option 2: Cash or Cashier's Check
Full payment by cash or cashier's check is expected and due in full prior to any services being rendered.

Option 3: Credit Card
We accept Visa, MasterCard, American Express, or Discover. A credit card fee of 5 % will be added to cash advance items to cover credit card fees.

Option 4: Insurance Assignment
Payment with assignment of valid insurance by the current beneficiary from a company that will confirm information to the funeral home and cooperate with and pay proceeds to the funeral home as requested. As with any small business, we value the time spent with our families and therefore outsource the time-consuming process of some insurance claims to Claim Check Assignment Services. They charge a minimal fee for this service. This fee is passed on to families without any mark-up. The fee for their services is 3.5 % of the amount being assigned to the funeral home (minimum of $125 fee).

Estates:
Due to the uncertain time frame with estates, we will not invoice estates. If an estate is established, you are still responsible for the payment of the funeral expenses through one of the above payment options. You are entitled to petition the estate for reimbursement for the payment of funeral expenses.

Member Selected Independent Funeral Homes
We are committed to serving our community regardless of financial means available.
Ask your funeral director if you need financial assistance.
